

COMMUNITY FOUNDATION FUNDAMENTALS

April 14 - 16, 2010

Offered in collaboration with the Council on Foundations

With generous support from the Marin Community Foundation

Overview

Community Foundation Fundamentals is a 2 ½ day course for staff and trustees in the early stages of their community foundation careers, as well as more experienced individuals who have not had formal community foundation training and would like a review. The course is created and led by experienced leaders in the field and is applicable to community foundations of all sizes. View the [Agenda](#) and [Faculty Bios](#).

Topics include:

- History of the community foundation movement
- Governance and board composition
- Resource development and donor relations
- Legal and legislative issues
- Stewardship, accountability and fiduciary responsibilities
- Grantmaking and community leadership

Participants will:

- Learn effective practices
- Access helpful tools and resources
- Network with peers and develop new professional contacts
